

INFORMATION ABOUT SECTION CHANGES

Students whose English course clashes with another course they are taking should fill out the **Course Conflict Form**, which can be found on the next page of this document.

When you finish filling out the form:

- **Print out the form and bring the printed copy to the Modern Languages Department by **February 27, before 13.00**.** The department is in the building of "Fen-Edebiyat Fakültesi Dekanlığı," next to the physics department, first floor, room 102.
- **IMPORTANT NOTE:** Forms must be **printed** and brought to the MLD **in person**. **Forms that are sent via e-mail will not be considered.**
- Note that the MLD will **NOT** change your section if you submit the form late and/or with missing/incorrect information.

After you submit the Course Conflict Form:

- **You will not** receive an email about your new section.
- Sections will be changed in the system **on Monday, March 2**. You will be able to see your new section in the OIBS system on Monday afternoon.
- After you see the assigned section, start attending that section's classes.
- Until then, attend the classes of any section that fits your schedule.

Important Notes:

- The **only** valid excuse for a section change is **course conflict**.
- Section change requests due to the **distance between buildings** will **not** be honored.
- Section change requests with missing or incorrect information will **not** be honored.
