

## **EXERCISES**

PART I. Answer the following questions according to the information in the sentence below. Underline the chunk that gives the answer.

People who have exhibited a combination of problem-solving ability and the resilience\* necessary to overcome tragedy or major setbacks, be it the death of a parent or a business failure, often make great leaders because of their experience and empathy.

## \*resilience (n.):

- 1.power or ability to return to the original form, position, etc., afterbeing bent, compressed, or stretched; elasticity
- 2. ability to recover readily from illness, depression, adversity, or the like
  - 1. Which people often make great leaders?
  - 2. Why so?

PART II. Put the following chunks into correct order to make one meaningful complex sentence.

- ---- you have a 24 percent likelihood to inherit a predisposition to do so as well
- ---- according to a study of twins published in the September 2012 issue of The Leadership Quarterly
- ---- indicating that being the offspring of leaders may give you an edge  $\,$
- ---- if your biological parents held leadership positions

PART III. Combine the following sentences into <u>one</u> complex sentence (without changing the order of the sentences). Use a connector to show the relationship (eg. *time* or *reason*) among sentences.

Turkey coach Fatih Terim heaped\* praise\* on his players. His players came from behind to beat Switzerland 2-1. His players knocked out the hosts in the process.

\*to heap (v.): to give, assign, or bestow in great quantity; to load \*praise (n.) the act of expressing approval or admiration
