

2024-2025 FALL TERM

INTERACTIVE REGISTRATIONS

- All registration process will be administered online.
- All student groups (freshmen, sophomore, junior and senior as well as pass, fail, FF, FD, NA and probation) will have their own time for registration. Please be patient, do not panic and wait for your own time. All criteria changes will be announced timely on MLD webpage.
- Students need to follow the announcements posted at www.mld.metu.edu.tr **on the days of Interactive Registration (September 25-26-27)** to be informed about the criteria changes. Check the webpage several times during the day as multiple announcements can be posted.
- Students are responsible for making sure there is **NO clash** with other courses. If there is a conflict in one's schedule, it is students' OWN responsibility to change sections and solve the problem. Before enrolling in an English class, students should learn about all their courses, labs, recitations, and studio classes.
